Highlighting the GED program!

GCM is excited to welcome **Kevin** as the **new GED Volunteer Director**, bringing fresh energy and leadership to an already life-changing program.

The GCM GED Program helps individuals earn their high school diploma through personalized, one-on-one tutoring and mentoring in a supportive environment. For committed students, all GED test expenses are covered, removing financial barriers to success. Enrollment is open to anyone interested, with in-person applications accepted **Monday–Thursday, 9:00 a.m.–1:00 p.m.**

News & Updates

Check out the new GCM video on our website!

This video showcases the meaningful impact GCM is making in the Gainesville community by providing support, education, and hope. It reflects how GCM's work is helping individuals overcome barriers and create positive change close to home.
